

June 2020

Dear 2EM Class Member,

My name is Mrs. Mennell and I will be your Year 2 teacher in September. I look forward to meeting your smiley face and getting to know all about you.

This year will be different as we can't have swap day and spend a day together, so I am sending you this letter. I would like to share a little bit about myself and hopefully you will return the favour and do the same for me too.

Well here goes. I have been a teacher for 5 years now. One of my favourite subjects is Maths as I love multiplication and division! If you don't hear me counting my times tables, you will hear me humming around school as I also enjoy singing and dancing too. I drive a bright, vibrant orange car from my home, where I live with my husband. We both enjoy travelling the world and exploring new places. One of my dream destinations is Africa where I would love to go on a safari to see my favourite animal, which is an elephant! I hope you are looking forward to getting back to school so we can explore Year 2 together!

I have attached a challenge for you to complete and bring with you in September. It is a booklet all about yourself. Please make it your best piece of work ever - colourful, beautifully presented. We will share them when we are together.

Sometimes, we all get a little bit nervous when meeting a new teacher or having a big change in our lives, and this year has been especially different with having lots of time away from school, so if you have any questions or worries that you want me to help with or answer, please feel free to email me at homelearning@whitchurchinf.co.uk anytime.

Take care and stay safe,

Mrs Mennell 😊
